Dr. Beckwith's letter. CAUTION to those who purchase or take BECK-WITH'S anti-dyspeptic pills.

I have satisfactory evidence that Beckwith's pills have been extensively counterfeited in various parts of the country, and particularly at New York, and sold at prices much below what the genuine article can be afforded at.

can be afforded at.

Since the agency of Mr. Henry D. Turner, John street, New York, ceased, on the 14th February, 1844, I have appointed no agents, and now have none in any section, except Dr. T. W. Dyott & Sons, of the Columbian College, Philadelphia. Those, therefore, who wish to purchase or take the genuine pills, must obtain them either of myself, or of these conclument or of necessors known to nurchase hose gentlemen, or of persons known to purchase them of one or the other. Dr. Dyott & Sons are enabled by me to sell upon the same terms as I do JOHN BECKWITH,

Public notice.

It will be seen by Dr. John Beckwith's letter, dated June 1st, 1845, that he has discontinued all agencies on commission for the sale of his (Beckwith's) anti-dyspeptic pills, and has established one principal office, which is at the Columbian College, No. 132 North Second street, Philadelphia, where the public are recommended to apply for the genuine pills.

Dr. Beckwith, proprietor of "Beckwith's anti-dyspeptic pills," having suffered great loss, as well as those who have been in the practice of using his pills being disappointed and their health injured: It will be seen by Dr. Beckwith's letter of June 1, 1845, that he has adopted the only safe plan for him-self and the public against these miscreants, by hav-ing placed the sale of his medicine in the hands of one special scent, where ever one who wishes to ing placed the sale of his medicine in the hands of one special agent, where every one who wishes to be supplied with the genuine article must apply.

Dr. T. W. Dyott & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, are the only persons appointed to supply the above pills in quantity, as no counterfeit article is permitted in their establishment. Dealers and the public will be safe in supplying themselves as above.

The proprietor of Wright's Indian regetable pills has discovered that his pills are counterfeited and extensively circulated through the country by persons unauthorized by him.

Dealers in the above nills are therefore respectfully informed that Dr. F. W. Dyott & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, are the only persons authorized by me to sell my pills, in quantity, at the same prices as myself.

Any other persons travelling through the country offering my pills in quantity, and at reduced prices, are assuredly base counterfeiters, and ought to be rejected as such by every "honest dealer," and it is to be hoped will be, if it is only for the health and the lives of the public.

the hands of booksellers in the Atlantic cities. Under the plea of right, acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burdensome price on them. The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will reprint the standard British law books as fast as they emanate from the London market. Should new editions of the works of such writers as Starkie, the Chittys, Stephen, and Archbold, appear, they shall also be included; and digests of equity and law decisions—works which have teen studiously kept out of the Law Library published et Philadelphis—shall have a place in the proposed new one, together with every new valuable English treatise on chancery or common law.

· ELIXER OF CALISAYA BARK.

ELIXER OF CALISAYA BARK.

THIS preparation is particularly recommended to persons of weak habit, and to such as reside in low situations, where the nervous system is, in general, more or less relaxed. The addition of certain ingredients has so completely disguised the taste of the bark, as to render this efficacious remedy, a most palatable cordial; thus peculiarly adapting it to conquer that repugnance which most persons experience after taking for some time bitter potions, as it combines the greatest efficacy with a highly agreeable flavor. As a preventive of the ague it has superseded the use of all other remedies, in such parts of the country as it is known. Prepared only by J. Milhau, No. 183 Broadway, New York. Price \$1 per quart bottle.

GREAT ENGLISH REMEDY

GREAT ENGLISH REMEDY

For Coughs, Colds, Ashma, and Consumption!

THE great and only remedy for Colds, Cougha, Ashma, and Consumption, is the Hungarian Balsam of Life, discovered by the celebrated Dr. Buchan of London, England, and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine in the curse of pulmonary diseases, warrants the American agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community; cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate of cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Colds, Coughs, Spitting of Blood, Pain in the Side and Cheat, Irritation and Screness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Heoping-Cough, and Croup.

Applies, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English remedy, may be obtained of the agents gratuiously.

inge over most other purgatives, that, while they operate gently, they produce neither costiveness, debility, or too great excitement.

Whenever there is a predisposition to receive disease from marsh efflavia, or from a too copious use of ardent spirits, or from a vitiated state of the bile, these pills will assuredly counteract it.

They are highly recommended to travellers by sea or land, and may be made use of with sefety without change of diet, and in situations where no exercise can be used. They will be found particularly valuable for preventing diseases incidental to hot climates; they deterge and cleanse viscid humors, open obstructions, and promote the secretion of good bile, operate as an easy cathartic, as a powerful diurctic, and as a diaphoretic.

Dr. Dyott, under the strong conviction of the power of his pills to relieve the afflicted, recommends the use of them to those who are in health as well as the afflicted, at leace once a fortnight, durring the spring and summer months, in which he feels assured those who attend to his advice will find the benefit they seek.

As a family medicine, a mild and gentle purgative, and purifier of the blood. The general use of these celebrated pills throughout the United States for these forty years past, and the strong recommendations they have acquired from all classes of our fellow-citizens, places them in a much more elevated situation in public estimation, than any other remedy which has heretofore been introduced.
